PRESCHOOL MUSIC VIBES

Bring your little ones along to get moving and grooving to some beats. If the weather is good we will be outside in the nature playground creating some of our own music too, followed by a small morning tea.

WEDNESDAY 3 MARCH, 10 MARCH, 17 MARCH, 24 MARCH & 31 MARCH, 10AM - 11AM **GOLD COIN DONATION**

ŌWAIRAKA **NEIGHBOURS DAY**

We're pleased to invite you, our neighbours, over for afternoon tea at the Community Hub. In the spirit of being a good neighbour and to celebrate Neighbour's Day, you'll get to take home your very own potted macadamia nut plant which has come from our tree!

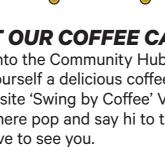

THURSDAY 25 MARCH, 2PM - 4PM **FREE EVENT**

VISIT OUR COFFEE CART

Head into the Community Hub and grab yourself a delicious coffee from our on-site 'Swing by Coffee' Van. While you're here pop and say hi to the team, we'd love to see you.

EVERY MONDAY - THURSDAY 7.30AM - 10AM AT YOUR OWN COST

WORKING BEES

FREE FAMILY EVENT

Working bees with Trudy: Tend the garden together, learn about selfresilience and contribute to the free food and the neighbourhood kaupapa at the Pātaka Kai. This year the garden will have a focus on Kaupapa Māori growing practices.

TUESDAY 9TH & 23RD FEBRUARY, 10AM - 12PM TUESDAY 9TH & 23RD MARCH, 10AM - 12PM

ECO NEIGHBOURHOODS

FREE FAMILY WORKSHOP

Ōwairaka Eco Neighbourhoods in cahoots with The Compost Collective presents everything you want to know about home composting.

SUNDAY 14TH MARCH, 10.30AM - 12.30PM

NEIGHBOURS DAY CELEBRATIONS

FREE FAMILY WORKSHOP

In the spirit of Neighbours Day join us to grow food using traditional Māori practices. Learn all about maramataka and the principles and practices of growing food by the lunar calendar.

SATURDAY 27TH MARCH, 10AM - 1PM

FREE FAMILY WORKSHOP

Are you planning a winter garden or are new to gardening? Join us to discover the benefits of seed saving and soil health! This is a hands-on workshop where you will learn how to harvest, process and preserve seeds from your garden for planting and swapping with friends and family. Find out how to build and maintain nutrient rich soil using your own food scraps. Everything you need to know to get a garden started!

SATURDAY 17TH APRIL, 10AM - 1PM
